

August 30, 2017

Greetings to all District 5 American Legion Auxiliary Ladies,

In the two months since taking the District 5 office of President, I have done the followings: reviewed information that I have received from Past President, Katie Pulley; visited with Joan Lasher, District 4 President; gotten to know the Legion Department Officers at Karen Meier's kick-off get together; and attended the American Legion Auxiliary National Convention. I can honestly say it has been exciting and overwhelming at the same time.

I am now looking forward to meeting members from the various units at the Fall District 5 Meeting being hosted in Napoleon on September 27th. I have included a flyer with the meeting details with this letter. It is important that we have representatives from all Units as we have information and materials to share with the Units.

We are still in need of a Vice President for our district. Please bring candidates to this meeting as we would like to hold election at the meeting. If you would like me to call prospective candidates to discuss the office just let me know. I found that serving the two years as a Vice President was a great way to understand how the Auxiliary serves Veterans and our Military on the local, state and national levels. The more information I gather on our service to others the more I want to share with others the good works of the American Legion Auxiliary.

Mary Anseth
5th District President
