

*American Legion Auxiliary*  
*Department of North Dakota*

Hi Ladies of District 1

It is another year for our Auxiliary, 2014-2015, and we have a new President who has some new ideas for us to use. You will meet her and hear all about her plans at our District meeting which is September 22 in Fargo. There will be a dinner served at 5:30 with a social time beginning at 5pm. The dinner will be lasagne served with salad and bread. The cost of dinner is \$5.00 Our meeting will begin at 7pm. Registration will begin at 6:30. Registration fee is \$2.50 All of this takes place at the Fargo American Legion in the Legacy room upstairs.

It is an important meeting as there will be tips for different projects we can do for our Veterans. Also, as you know our membership has been decreasing these past years and we need help to know what we can do to increase it. Membership chair for the state, Judy Twete has ideas to help us and I have an item to give you for one of her ideas. She will be speaking about membership at our meeting. This is a very great meeting because you will learn things and also meet other unit members and hear their ideas on how they do projects in their units

I do hope that at least one member comes from each unit but, it would be good for that one person to have a traveling companion or two. Please put this date on your calender.

Thanks for all you do for our Veterans. It is so appreciated. God Bless our Veterans and God Bless all of you.

Sincerely,

  
MAVIS Goodroad  
District President
