### We're gearing up for Girls State!

June 9 - 14, 2013

(<http://ndgirlsstate.org>)

The first registrations have started coming in, and we're getting excited for the upcoming session. There are so many exciting things happening with Girls State; we are confident this will be another successful year!

Here are a few reminders and new things to note:

- Girls are able to use sport physicals from the 2012-2013 school year.
- Registration forms and medical forms should be sent to Dana Thoreson. Her address is on the application.
- Each District has identified someone to assist with recruitment efforts. This team will be communicating with the Girls State Committee as well as Unit Girls State chairmen regarding recruitment plans, available tools, and potential school visits.
- If you have more girls interested than you have funds available, please contact Dana Thoreson so that additional funding can be found. Alternatively, please let Dana know if you have additional funding that can be used for other delegates.

Girls State citizens can earn college credit through the ACE Network. Staters need to apply for the credit before they attend Girls State. It is the responsibility of the girl to apply and pay for the college credit. More information can be found at <http://www.theacenetwork.com/ed190/> and on the North Dakota Girls State webpage.

We are pleased to announce that Girls State and Boys State were given a generous \$5,000 donation by AT&T, which is being shared equally between the two groups. Also, the University of North Dakota awarded Girls State a \$3,700 grant to use for marketing and recruitment purposes.

As always, please contact us any time with questions or comments. Dana Thoreson, Girls State Director  
[ndgirlsstate@gmail.com](mailto:ndgirlsstate@gmail.com)  
(701)662-2106

### City Mothers Wanted

*Each Girls State City will have a City Mom. She will act as a mom away from home. She should be energetic, motivating, comforting and approachable. A City Mom is a representative of the American Legion Auxiliary and what it stands for. It will be up to the city moms to come up with a service project for their city. The City Mother will not receive a stipend, but will be compensated for mileage. Room and board will also be provided.*

*Applications can be found on the Girls State Website, or by contacting a Girls State board member. Applications are due March 15.*

Over 90 Auxiliary members were in attendance February 1-3 at the Winter Conference in Minot which was held at the Grand International Inn. We were fortunate to be visited by Doris Ann Werlinger, NW Division National Vice President, who spoke to us about the importance of increasing membership and staying actively involved in the organization. The Department Chairmen shared some fun and novel ideas about how to work the programs of the ALA. For myself, I was proud of the members of this organization in their contributions to the President's project, Pennies for Projects for Vets. It was an honor to be able to tell all in attendance that we have already exceeded the one million penny goal. I can only imagine where the contributions will be by the end of this year. I want to extend a special thank you to all who have contributed.

The Finance Board and Department Executive Committee met on Friday and addressed several issues of the American Legion Auxiliary, including budget and expenditure issues and also the need for candidates to run for upcoming openings within our slate of officers. On Saturday the Department Chairmen in attendance had their displays up for viewing and presentations began. We concluded our conference on Sunday with a breakfast meeting and an emotional memorial service during which the Four Chaplains and Past District President Martha Johnson were honored. Session closed, as it opened, with a joint session with The American Legion, the ALA and the Sons of the Legion. All days were quite busy and filled with information. We thank Minot for hosting this event and look forward to the next gathering of our organization at the Convention in Williston.

Even though we look forward to that Convention we cannot let ourselves relax and sit back. There is much work to do between now and then. One of the major topics brought forward at Conference was the drastic drop in membership this year. As an organization we know that we lose some of our members each year for various reasons. However the drop this year is so drastic that we need to truly look at the budget for the year. We all know that our operations are funded by membership. When our membership decreases, our ability to operate our programs is at risk. The most recent membership numbers, received from our National Membership team, report that North Dakota is in 25<sup>th</sup> place in the nation, with an 80.51% membership submitted. Our numeric objective is 13,430. North Dakota has submitted, to this report date of February 15, 2013, a total number of memberships of 10,813. Yes 80% is a great level to be at, however, the alarming thing about this is that it converts to dollars missing from the ALA funds to operate and run programs. This shortfall is equivalent to over \$25,000. This amount will have a significant impact on how this Department can perform the Mission of the ALA. I cannot stress to the members how important it is to go out and get those renewals! It is not just the membership chairman that is responsible for getting the renewals and the new members. We need to each take a personal approach to increasing our membership numbers. Take time to talk to members, one on one, remind our Auxiliary ladies WHY THEY JOINED! We serve those who serve, this is our mission, this why we joined!

Soon we will be having Spring District meetings, I encourage all members to attend your district meetings, and bring another member with you. Meeting dates are posted elsewhere in this paper. Many Districts will be having elections. Have you thought about who will fill the shoes of District officers? We have leaders in our midst, they just have not been asked to step forward yet. If you know someone who would make a good leader, now is the time to begin discussion with them. Encourage them, and offer your support as they take that step forward to leadership within our organization. We recently have received a mandate from National that, just like our Units, Districts will have to hold a Charter. Secretary Ronholm and I will be working with District Presidents to get this task accomplished. Remember that we are Angels in service, and are commanded this year to Soar to New Heights in our Service to veterans, our military and their families. Linda Juntunen, Department President

### 2013 SPRING DISTRICT MEETINGS

- Monday, April 1, 5th District - Wilton
- Tuesday, April 2, 7th District - Almont
- Wednesday, April 3, 8th District - Regent
- Thursday, April 4, 9th District - New Town
- Friday, April 5, 6th District - Sherwood
- Monday, April 15, 1st District - Harwood
- Tuesday, April 16, 2nd District - Park River
- Wednesday, April 17, 3rd District - Belcourt
- Thursday, April 18, 4th District - Medina
- Friday, April 19, 10th District - Lisbon

Tammy Romesha and Judy Twete

### Congressional Medal of Honor Recipient honored at American Legion Winter Conference

Congressional Medal of Honor Recipient Clinton Romesha of Minot was presented with a Life Membership in the American Legion. Judy Twete of McVille, ND offered to pay his wife, Tammy's Auxiliary membership and signed her up as a member of Ole Semling Unit 135 in McVille. At the Sunday Session of the Auxiliary, the Department decided to offer a Paid up for Life Membership to Tammy in addition to her accepting the one Judy gave her. Clinton was presented with the Congressional Medal of Honor on February 11, 2013 at the White House by President Obama.

"Better to fight for something than live for nothing."  
George S. Patton

Sanford Health is proud to support the North Dakota American Legion. Thank you for your service to our country!

**SANFORD**  
HEALTH

Marly Aubol - President-Elect / Membership Ladies, I came home from Winter Conference in Minot full of ideas, enthusiasm, and scared to death!! Next year we will have a NEW President, a NEW President Elect, a NEW Vice President, a NEW Secretary, a NEW Treasurer, five NEW District Presidents, and several NEW Chairmen. That's a lot of NEW!! The good NEWS is—we can do it!!! We need to work together, and I know we can if we keep a positive attitude. Now, how cool is this-- I have already had volunteers to help when we make the transition from the Jamestown office to our new office. I want this organization to remain the same great organization that it has been for many years, and I want it to be that great organization for many years to come. REMEMBER WHY WE JOINED THIS ORGANIZATION! We cannot fail the veterans who have served and are serving this great country.

Doris Ann Werlinger, District National Vice President, was a breath of fresh air—she gave us many ideas and reinforced some that we have in place. She is one of us—an American Legion Auxiliary member, supporting our veterans, and an Angel in Service. It was great having her visit us in North Dakota.

The angel appeared again! Her halo still askew, her slip still showing, and this time she had a dustpan and a brush to clean up the membership. She talked about gaining new members, keeping members, working together, treating others as they would like to be treated, and accepting new ideas. The angel presented an angel holding a penny to Doris Ann Werlinger and to District 7 President Mary Ann Kilen, whose district membership is at 86.591% as of January 31, 2013. All of the districts have surpassed the milestone of 70% by 2/14/13. The next milestone is 85% by May 17, 2013 (Armed Forces Day). District 7 has already reached that milestone. Congratulations to you! North Dakota is currently 15 in the Nation. Please work hard on membership and meet each milestone.

Winter Conference Workshop participants.

**Department Historian - Marcy Schmidt**

Wow – this has been a great year for me. I was so touched and very proud to be presented with the 'Best Department History for Northwest Region for 2011-2012'. The award is really a tribute to all of you. Thank you for your support and trust.

It's been a very busy year for President Linda Juntunen and I'm trying to keep up with her administrative year. The pictures, newspaper clips and articles keep rolling in showing your unit activities and support for veterans and communities. Please continue to send those articles and notes to me.

Unit Historians, I encourage each of you to prepare and submit your history for judging at convention.

I also remind and encourage all Department Officers and Chairmen and Unit Presidents and Unit Historians to send me your reports and notes. I'll include the information in President Linda's History Notes and the 2012-2013 Department History.

North Dakota Auxiliary Members I appreciate your work and dedication to our veterans and communities and look forward to seeing many of you in Williston in June.

**Sunday morning Memorial Service  
60th Anniversary of the Four Chaplains.**

**Children & Youth - Shirley Hoberg**

During my skit/presentation at Winter Conference, I encouraged everyone to contact Congressional leaders concerning our nation-wide mental health problem, which in turn is resulting in deaths (primarily with guns, but knives and other instruments have also been used).

It appears many shootings or other violent acts are done by people who are - or have been - bullied; and/or, are not accepted in their 'world'. Chemical imbalances are also contributing factors in many of the perpetrators. Let us encourage private organizations and government agencies to study the problem and devise a plan towards healing these individuals or restraining them until they are healed. Another step would be to address what makes individuals bully.

Contact information for congressional leaders can be found in the government section of phone books.

The Forum has excellent articles about children's wellness. You can check them out at: [www.NIELearningForum.com](http://www.NIELearningForum.com); or, by phone at 701-241-5566. Sams Club's January/February issue has an excellent article titled Active, Healthier Kids by Dr. Bill Sears. You can check it out at [SamsClub.com/healthyliving](http://SamsClub.com/healthyliving).

Keep up the good work you have all been doing and send reports to me by April 20<sup>th</sup>. Not reporting this year is not an option!

Programs broken down into PODS - They really do help with those dreaded REPORTS!

Our Angel is the Centerfold

Past Dept. Commander Harvey Peterson and Sandy Smith with pop tops from the Rolla Unit.

**National Security - Betty Malkowski**

I enjoyed seeing so many of you at the Winter Conference in Minot. The hugs and visits are the name of the game and the presentations by the Department Chairmen brought laughter and knowledge to all. Our guest, Doris Ann Werlinger, NW Division National Vice President, added so much to the ALA Sessions. She is such a Grand Lady!

Now on to **National Security**, you have all received the action plan for the National Security Program, I will acquaint you with Operation Homefront. The American Legion Auxiliary and Operation Homefront share a mutual goal to support our military and veterans. We are pleased that Operation Homefront is part of the American Legion Auxiliary Call to Service Corps. The American Legion Auxiliary and Operation Homefront are equally proud of their contributions toward the practical and emotional well-being of servicemembers, veterans, and their families. Operation Homefront is taking place across the state in **Bismarck, Minot, Grand Forks, Fargo, Valley City and Devils Lake**. I am asking Units that are in the surrounding areas of these cities to actively participate in a welcome home event that sends a message to the Servicemembers, their families and your community, the message that says how much you show your appreciation for their commitment and raise the communities' awareness that the American Legion Auxiliary is there for our troops and their families.

Other Programs and Services that support the families are Food Assistance (Boxes of grocery and Gift Certificates), Auto Repair, Home Repair, Travel and Transportation, Morale Holiday Programs also Community Events and additional programs that will show support. When you have participated in any of the above events, **PLEASE REMEMBER TO REPORT AT THE END OF THE YEAR (April 15)** to me, your Chairman for National Security.

To the ANGELS of District 1  
Mavis Goodroad

We had a great time at Winter conference and received good information about our programs. I hope all of you are keeping track of your hours and money spent on things you have done this year. It is only two months and the reports will have to be sent to me and to the respective chairperson of the programs.

The District meeting will be held on April 15 at Harwood. I will give you more information in my March letter, but I would like to see more at that meeting because it will be my last one as Marcy Schmidt will become District President at our June convention. Hopefully the weather will be good and more of you can come. It is always a great time to meet and see our other friends within our District.

Remember to keep in touch with our Veterans and their families. Will be looking forward to seeing you in April.

Thank you and your unit members for all you do for the Veterans, their families, and the American Legion Auxiliary.

Greetings from District Four  
Elsie Goldsmith

The temperature was below zero, snow falling at times, windows fogged, and we were nice and warm inside the Grand International for an excellent winter conference in Minot. The department chairmen shared information about our many programs. The joint sessions were very informative, and the memorial service on Sunday for the Four Chaplains of the Dorchester, sinking Feb. 3, 1943, was very moving.

Even though the "Take a Vet to Lunch" program was discontinued a few years ago, continue this by taking your local veterans to lunch and then be sure to include it in your reports. Remember to do activities with your veterans and not just those in the VA Medical Center or the Lisbon Veterans Home. As we heard many times at winter conference, "Every day is Veterans Day."

Units in our district have been busy updating their constitutions and sending them to the Department Constitution & By-Laws Chairman, Department office, and to me. Thank you so much for getting this done.

Three members of the Streeter Unit and one Post member went to the Veterans Home in Lisbon on January 8<sup>th</sup>. Everyone enjoyed a time of fellowship.

The Streeter Unit also donated clothing and personal items to Gladys Ray Shelter and Veterans Drop In Center in Fargo. Thank you VA & R chairman Mavis Goodroad for delivering these for us.

Please plan to attend our district meeting April 18<sup>th</sup> in Medina. More information on this will be in my March unit letter.

As part of their education project and 10 for 10, George W. Snook, Unit 246 of Elgin, ND delivered 10 packages each of the following items to the Grant County School: notebook paper, pencils, pens, rulers, pencil cases, and calculators. Pictured are High School Principal Terry Bentz, Grade School Principal Roxanne Tietz, Unit President Arla Roth, Unit Treasurer Rosemary Pfrutenreuter and Unit Vice-president Gloria Vaaler.

Greetings from District Two  
Diane Kraemer

We want to thank everyone for a great Winter Conference.

We are busy working on Valentines for Veterans; Americanism activities for February; and informing the schools of the scholarships available and to get the students working on their applications.

March is the Legion Birthday, plan something special. You can also visit our veterans that are not able to get out on their own or offer to bring them to your special night.

Girls State is just around the corner. I ask that you encourage your Juniors to look into going to Girls State, it is a great learning experience and it is a lot of fun.

Music Camp is a wonderful program for our high school students in the summer. I encourage you to make a donation to help sponsor a student.

We are working to get the rest of our memberships turned in; also working on compiling our volunteers, their hours and dollars spent to complete our annual reports in April.

Our Spring District meeting will be 16 April but location not decided yet.

Constitution & Bylaws  
Sandra Petermann

With 177 units for the Department of ND, I am happy to announce that I currently have 52% completed. I am still in need of 85 units to be able to complete the Constitution & Bylaws for this year. According to the American Legion Auxiliary Unit Handbook, "These Bylaws shall be automatically amended to conform to the National and Department Constitutions and Bylaws and standing rules of the American Legion Auxiliary." After you have completed this, one copy gets sent to me as Chairman, one copy goes to the Department office, and a copy to your District President for her files. **Don't forget to change both the Senior and Junior Dues amounts under Article III**, as well as any other changes that your unit needs to make. If you think that you mailed me a copy, please contact me as soon as possible. I need all Revised copies of the Constitution & Bylaws no later than April 15, 2013. As I need to put together a report to the National Chairman no later than May 15, 2013; it would be awesome if we can report that North Dakota has 100% participation in the updating of the Constitution and Bylaws. I know that with the help of each unit, we can do this, and I am counting on each of you. Thank you.

Hello North Dakota Auxiliary Members, Thank you for a wonderful "North Dakota Welcome" during my visit to your Winter Conference 1-3 February 2013 and the nice snowfall you had for my visit. I know it was very cold and slick roads while your conference was going on but you had a wonderful turnout for your meetings. It was so good to see so many of you and getting to visit with friends I had met during my term as President of South Dakota and NEC. It is wonderful when you make such wonderful friends with this Wonderful Organization, The American Legion and Auxiliary members. All of You are Awesome!!!! Keep up the good work on your membership - new ones and renewals, they all count. All of you did a wonderful job for your POD information and keep up those wonderful ideas. Again, thank you from the bottom of my heart for all you do for our Veterans and their families, active duty military men and women, their families, your communities and youth. I'm thrilled to have been there to visit with you and take ideas back to our National President Peggy Thomas. God Bless Each of You and God Bless America, Doris Ann E. Werlinger  
NW Division National Vice President  
4295 Sturgis Road  
Rapid City, South Dakota 57702

McVillage Members at the Lisbon Gift Shop L to R Margaret Johnson, Unit Pres., Pat Enstad, Unit Treas., Marilyn Bowman, Judy Johnson, Judy Twete, Alvina Germundson, and Rosalie Naas

VA & R - Mavis Goodroad

First I want to thank each and every one of you for all that you have done for our homeless Veterans. It has been so fun delivering all of the buddy baskets, clothing, and other items to the shelters. You are to be blessed to be doing so much for them. I give each of you a hug from them. I hope you are keeping records of all of the hours and money you have given to put everything together and the time spent on other projects for our Veterans. Only two months and reports have to be in.

It was great seeing you at the Winter conference, visiting with you, and hearing about what you are doing in your units. Keep up the good work. I know that sometimes the field and home service hours are not always kept but they count a lot for all that you do. Everyone keep warm and do not overwork at shoveling the snow. Take care. Thanks again for all you do for the Veterans, their families, the American Legion, the SAL, and especially the ALA.

You do your thing . . .  
leave the rest to us.

Banquet and meeting space  
Restaurant - Lounge

 Mary Eays - Sherwood

**DISTRICT 10**  
 Kylie Ann Hemminger -Milnor

Myrna Ronholm - Department Secretary  
 Winter Conference is over and we were fortunate to have the weather as good as it was. A good turnout made it interesting. Minot did a great job for all of us. Thank you all for a job well done. Ninety-three auxiliary ladies registered.

Be sure to watch the mail for the UNIT DATA FORM and the date it must be in the office. This is very important. You want the dues notices from National to be the correct amount of your dues. The form should be in the next mail-out.

Have all you Units paid your required contributions and ordered poppies? If not, do so as soon as possible.

Try to attend your District meetings in April. Weather should be nice by that time.

Stay warm and think **SPRING IS COMING.**

\*N.O.: Numeric Objective

**There's no place like home. So make yourself comfortable.**

*In the Community to Serve*  
**1-800-638-3278**  
 montana-dakota.com

We never know what challenges we'll face, but coming home should always be ... predictable. The lights turn on, room temperatures are just right and pushing the "on" button starts the appliances and electronics we use for everyday tasks. Montana-Dakota Utilities provides safe, reliable and affordable electric and natural gas services for our customers. Come on in, put your feet up and make yourself comfortable.

The "Fallen Soldier" display set up by the American Legion has been moving around the State. It is very touching. Please stop and take a look if it comes to a city near you.

**DEPARTMENT CHAPLAIN / PAST NATIONAL CHAPLAIN**  
 Beverly J. Wolff

"I tell you, use your worldly resources to benefit others and make friends. In this way, your generosity stores up a reward for you in Heaven." Luke 16:9

Let us bow our heads and hearts in prayer. Dear Lord, We pray that You would give us an ever-renewing sense of Your purpose for our lives. Use us for Your Glory as long as we are on earth. Help us to never be resistant to change, but instead, always be open to new things You want in our lives. Help us to always be in Your Word, close to You and seeking council of Godly people, so that we never miss Your light shining on the path You have for us. Bless this Nation, our Troops, their families, The Legion Family, and bring our leaders together for the good of all the Nation's people. Let there be happiness, laughter, and peace among all countries.

In His Name We Pray, Amen.
