American Legion donates to Fargo VA Hospitals "healing garden"

The future of a healing garden at the Fargo VA Hospital just got a little brighter. The American Legion donated \$16,000 to the garden Tuesday morning.

That money will go toward flowers, benches, and artwork. Every year, the American Legion state commander designates a project for fundraising. Dave Rice chose the healing garden in memory of his brother, John.

Dave Rice- American Legion Past Dept. Commander: "This project is very near and dear to my heart because my brother was hospitalized here and when we took him outside there was really no place to go. I heard about this healing garden project where they can be out there in the sun and enjoy the flowers and pergolas and that type of thing, and I said, 'that's it, that's what I want to do.'"

Linda Juntunen, Past Department President, had this as her President's Project so some of the money to make this available came from that.

Thank you to everyone that contributed to this great project that is coming to life.

The garden is expected to be complete sometime next summer.

Department President

As I toured the state with my membership chairman, Diane, Commander Bud, Adjutant Dave, NEC Bob, Membership Chair, Ron, Dept. Cdr. Elect, Orletta, I had an opportunity to reflect on the rebranding of American Legion and its Auxiliary as family. Family is the foundation of our society and at every district meeting we were welcomed as family. It was wonderful. To all of you who made the trips memorable and rewarding, many thanks. I look forward to meeting new members and reconnecting with familiar ones as the year passes all too quickly. District Presidents you did a grand job of organizing these meetings.

Now let's talk about generosity! Diane and I made three trips to Fargo with requested items for the Gladys Ray Shelter, the VA Hospital and the YWCA. The car is packed with the 4th load. One entire pickup truck loaded with warm coats, blankets, clothing and food was donated by the auxiliary ladies in New Rockford. Kudos to them! Our department VA&R chairman, Mavis Goodroad, was graciously waiting in Fargo for the deliveries and volunteering to deliver the donations to the appropriate entities. You are the best, Mavis! Many thanks.

The humbling POW/MIA ceremonies at many of the district meetings were emotional surprises that brought tears every time. Thank you to the many districts who put forth the effort to include a color guard at their meetings. The impact the American Legion and Auxiliary have for supporting their veterans is truly amazing. I witnessed it first hand! The sharing of stories, the many volunteer hours, and the legislative advocating we do for our heroes at a national level is what is most attractive about our organization.

We talked, sometimes at length, about a new

direction for the young veterans and families that are coming home. We need their membership. Many, we know, are not interested in belonging as participants, often because of family commitments, often because of the lengthy ritual of our meetings. That means we have to simplify and stay connected via electronics to keep them in the loop, and let them know what their dues are doing for them, and why it matters. We need to stress that their membership is keeping Congress and the VA accountable. We really need to stay visible in our communities.

So to all the hard working communities, keep doing what you have done so well for 95 years. Work to keep your posts and units connected, and don't be afraid to give a loud shout out on Facebook, Twitter, newspapers, or any other media that works for you so we can once again be that strong force we have always been for our veterans and their families.

One final thank you to our hard working Department Secretary, Shirley, and our dear Treasurer, LaVonne, who has put in many hours getting our budget in order. Keep up the good work, ladies. We appreciate you more than you know.

Please keep Mid-Winter conference penciled in on your calendars, Jan. 29th-Feb. 1st at Ramkota in Bismarck.

Blessings,
Marlene Boyer
Department President

Marlene Boyer

Department Secretary

I want to share some of the things that I have been hearing since I took this job. It is the same things that Cat heard last year, and I know that it is tough to get new members, but we don't know until we ask the members in our community.

In the department office I hear many common statements that would support the argument that we are not growing. *We can't get new members. No one comes to meetings. Why doesn't anyone report- I know they are doing things. No one else will run for office. The same people keep taking office. No one wants to do anything. I'm too busy to do this. We can't get any girls to attend Girls State. She can't do that job; she's not good enough. I can't do that job; I'm not good enough. So-and-so is talking about "it" behind my back instead of just talking to me about it. I'm X years old- too old/young to do anything. I don't have time to do anything. Our membership is too small to function. No one values my opinion. Our dues are too high; people won't join. We only do one thing a year but we don't want to disband.*

Do you think that the Veterans and our communities that we are volunteering for say the same thing? Most of our members have forgotten the true meaning of giving, especially around this time of Christmas, and we need to once in a while find the great feeling that we get from volunteering in our communities. The child that for the first time has been told how and why we salute the flag, and how we take care of the flag, after all how are they going to know these facts unless we take the time to educate them. That light bulb that goes off in their heads is precious and we need more of those times to believe that we do make a difference. The senior dinner that we do once a year in which we are to come up with some program and find ourselves saying, "We did that last year, there is nothing new to do." Sometimes we have to look outside of the box to find the joy that we miss from our everyday life.

Life is too short to worry about the little things, but we need to go out and tackle all of the everyday ups and downs that volunteering provides. Especially with all of the recent tragedies that are happening around the world, may we pray for the people that are in harm's way whether in the military or civilians. Remember President Kennedy's quote, "Those who make peaceful revolution impossible will make violent revolution inevitable."

I'd like to add one more item. **Say Yes.** Be willing to try. This is something that Cat had in last year's newsletter. Many people tell me they don't think they can take an office or chairmanship for whatever reason, so they turn it down. I think these people would be pleasantly surprised at how well they can do despite whatever the excuses they offer. Some are scared they don't have the time to commit to it. With most positions in the Auxiliary, I think we may spend more time worrying about how much work we have to do than we spend completing the task. If the job seems overwhelming or your time truly is stretched too thin, then consider it an opportunity to engage another member and ask for their help.

Whenever questions come up I always remember something that President Kennedy said, "Ask not what your country can do for you, ask what you can do for your country." I was really young when he stated this, but it is so true even in today's culture.

May your holiday season be filled with peace and goodwill!

Shirley Montgomery
Department Secretary

Shirley Montgomery

Department President Elect

Hello Ladies:

I want to thank everyone for the attendance at the District meetings. I really enjoyed the meetings, getting to meet and visit with so many members and answer questions.

I want to thank all of you for your hard work on membership so far. We have a long way to go and I am going to let you know about the upcoming membership deadlines. Please be sure and get your memberships turned in as soon as you receive them, do not hold them until you get all of them. The following are the upcoming dates:

November 11	45%	May 21	90%
December 7	60%	June 14	95%
February 14	75%	July 4	100%
March 15	80%	July 30	102%
April 22	85%		

Awards:

Departments that increase their 2016 membership by 3% or more over their 2015 membership at November 2014 by 11 November 2015 will receive \$250.00.

Units that reach 100% of their goal by 31 December 2015 will receive \$100 and a 100% flagpole ribbon.

The Department Secretary will mail out the following

forms to all units in this mailing:

- Rejoin 1 – Former member
- Recruit 1 – New member
- Recruit 10 – Senior and/or junior members
- Silver Brigade – 25 or more members

Several members at the fall meetings asked why they were not receiving any money for the Royal members, now called a State Life Member. The Royal memberships were paid into the Department and each year the Department has to pay those dues to National. I visited with a member of the current Finance Board and she thought that in the year 2011-2012 it was brought up to not send Royal member money back to the units, as the Royal fund money is depleting rapidly with the increase in dues to National and the Department would not be able to pay the Royal dues to National. The Paid Up For Life (PUFL) memberships are already paid for because it is a National program. I hope that this helps answer the questions that were raised. If not let me know.

Granddaughter of the President Marlene Boyer

Gabrielle Ries, 17, of West Fargo, solicited, collected and delivered nearly 200 pounds of donated items for the Gladys Ray House and YWCA. Ries secured new undergarments, personal toiletries, and cans of coffee as well as new and used winter clothing, bedding and linens. Gabrielle was made aware of this project through her grandmother, state president, Marlene Boyer. Says Ries, "Until my grandma told me about the Gladys Ray House, I didn't realize that there are some veterans in our community who just need a hand up. It was so awesome to see how generously people gave to support the veterans." Gabrielle is a senior at Shanley High School in Fargo and a junior American Legion Auxiliary member from the John Raymond O'Hara Unit of Carrington. She enjoyed representing Carrington as a Girl's State delegate last June.

Harwood Auxiliary's visit at the Veterans Home

The Harwood Legion Auxiliary went to the Lisbon Veterans Home to play Bingo with the residents. What a fulfilling experience. The picture taken was of four of our members along with a resident who makes ALL of the poppies. He showed us how it's done and has made thousands of them!

American Legion Auxiliary Poppies are available every spring at an Auxiliary unit near you. Stop by and pick them up from your local unit. Donations are optional and all proceeds go to the Veterans Home for items not covered by the normal budget.

Picture from the District 2 Meeting

District 2 meeting in Minto, ND on October 6, 2015. It looks like a great turnout for the meeting and I appreciate everything that everyone has done to make the district meetings go so wonderful. Hopefully everyone had a chance to go to a meeting in your area.

District 4 News for You

Units that reach 100% of their membership goal by December 31st, 2015, will receive \$100 and a 100% flagpole ribbon. All units should have sent in some 2016 dues by now. Next couple deadlines are 60% by December 7 and 75% by February 14. Please help your membership chairman reach the deadlines. Do not hold dues.

We had an excellent district meeting in Jamestown on Oct. 7th. We had the 2nd highest number in attendance. Thank you to all who attended and to the Jamestown Unit for hosting our meeting. We will need to elect a new president and vice president/secretary at our spring district meeting. As we are an even number district, as the new president, you will be allowed transportation by air, (coach) airport to airport, mileage from home to nearest airport, cab fare to and from the airport to hotel, bus or Amtrak or a driving allowance not to exceed coach air fare (must turn in receipts), plus 5 days per diem, at \$60 per day for out-of-state. 2016 National Convention will be Aug. 26 – Sept 1 in Cincinnati, OH. Take advantage of this event, as it is a great learning experience. We must keep our district going. There are so many of you that are very capable of one of these offices.

A reminder, I need \$20 for President Marlene's reception from Districts 3, 9 and 10. Each district is to donate \$20. \$10 toward the reception and \$10 toward her gift. Thank you to those who have already sent me their money.

Winter Conference is Jan. 29th -31st, 2016, at the Ramkota in Bismarck. Bring your donations for the VA Medical Center, Gladys Ray Shelter and/or for the YWCA, all in Fargo. Monetary donations can be sent to the office any time. Be sure and designated the recipient/s.

Wishing you all a very Merry Christmas and a Happy and Safe New Year! Remember the veterans, far and near and their families.

Greetings from District 5

Once again the holidays are upon us. It seems they come faster every year and as always we work to get everything done that we need to do. We plan and make check lists so we don't forget a single thing and of course there is always that one we didn't get to or forgot to check our list, and you know we are the only ones that know that.. Everyone just thinks we are the greatest because they don't know about that one thing we didn't accomplish so they didn't even miss it.

Mavis Goodroad
VA&R State Chairman
701-361-0413 Cell phone

In the Auxiliary it is that way. No one knows what we plan or how we go about doing the things we do, they just see the things we do. No one but us in the auxiliary sees the big picture. The programs we provide for our Veterans and their families come from this check list and we continue to strive to offer these things to our military men and women. They have shown us they get their jobs done at much sacrifice to themselves and their loved ones.

We need to step up and keep this vision going, so please remember to keep our Veterans and their families in our prayers this holiday season and continue to keep up the great work you all have done.

Have a wonderful holiday,
Katie Pulley
President Dist. 5

Historian

A very special thank you to the units that sent mid-year checklists or narrative reports and to the units that sent year-end info for a total of 62 reports which is almost double last year's reporting. The Department History increased from 20 pages to 26 pages.

Though it will be additional work for me, I challenge more units to report this year! Remember, you may repeat activities from year to year, but those activities are still history for the 2015-2016 year. So, report, report, report.

Historian mid-year checklists or narratives are due December 10 while year-end checklists or narratives are due April 15. These are the same reporting dates for all programs to Department Chairmen. Email Historian Checklists or narrative reports to historian@ndala.org or mail to Lynn Tomlinson, PO Box 1088, Rolla ND 58367.

Hats off to Jamestown who followed the North Dakota Scrapbook History Guidelines submitting one at Department Convention. This year will see the continued use of the North Dakota Scrapbook History Guidelines, not the history rules from National. The guidelines accompany the Historian Plan of Work in the September mailing and will be available on the Department of North Dakota website, www.ndala.org under the Programs tab, then click on Historian.

Please email or mail photos, newspaper articles, and other items from your unit for Department President Marlene's scrapbook to me in a timely manner as I plan to compile the scrapbook month by month.

Veterans Affairs & Rehabilitation

Hello To All You Wonderful Ladies:

It was so great to get all of those donations that you stepped up to donate for President Marlene I was so excited to receive them so you know the Gladys Ray Shelter was excited to get them. There were lots of smiles on the faces of those in the lobby of the shelter. They even helped carry the items in. Also, the YWCA shelter was happy to receive the ones I took them. Most everything went to the Gladys Ray but I did take the coffee to the VA Hospital.

Some things needed for the VA Hospital are:

- mouthwash-non alcoholic travel size
- men's deodorant--ONLY men's travel size preferred
- denture cleaner
- chap stick
- nail clippers--large and small--new only please
- shampoo, conditioner, and bar soap are not needed at this time

The VA Hospital is in need of funds for the EMERGENT NEEDS fund. This would provide the hospital to provide travel funds for low income Veterans and also to purchase shoes and clothing for them when they are discharged. Also, it would provide for purchase of gift cards to be used by Veterans in need. This would ensure Veterans needs are met on an individual basis.

If you purchase items for Veterans and have them at the mid-winter conference, I can bring them back with me. I will help you anyway I can.

I wish each of you a blessed Thanksgiving and that your travels will be safe.

God Bless you and God Bless our Veterans.

Sincerely
Mavis Goodroad

Devotion

Let us bow our heads and hearts in prayer, each in our own Faith!

Lord, we realize there is no better time than the present to be Your Light extended to those around us. Help us to go beyond ourselves and become lanterns through which Your Light can shine. Give us wisdom and show us all we need, to see and to keep us on the path You have for us.

Enable us to step out of the past and go into the future with open minds and hearts. May Your Light always shine on our paths!

Thanksgiving and Christmas will soon be here Lord, bless each one of us! May we have the Spirit of Giving and the Love of The Lord all through the year.

Lord continue to surround us with Your Never Ending Love.

In His Name,
Amen.

Membership Chairman

Hi Ladies:

I want to thank you for your hard work on membership. We have only one unit, Brockett, who is at 180% for the year. We have six units that are between 80-100%. We also have 11 units that have not turned in any memberships. I highly encourage all units that have turned in less than 45% of their numeric object to phone or drop a note to your members and ask them to pay their dues and get them into the Department Headquarters as soon as possible. These figures are from National as of 11 November 2015.

Membership Renewals are Available Online!

You may have seen this information from National Headquarters:

"Did you know? You Can Now Renew Your Membership Online – Quick, Easy, Secure!"

It's time to renew your American Legion Auxiliary membership for the 2016 membership year. We are proud to announce that you can now pay your dues online!

How? Simply go to the national website www.ALAforVeterans.org. On the homepage, log-in to the "Members Section". (You'll need to create your free log-in if you haven't already done so, and it only takes a few seconds). Then click the "Pay Dues" button. You'll then be prompted how to pay your renewal dues online. It's easy, secure, and only takes a couple minutes.

Our country needs the American Legion Auxiliary, and only because of YOU can we continue our mission outreach to our military, veterans, and their families.

Together, we can make a difference in every neighborhood across the USA.

Thank you for your continued membership."

About 45 members have used the online renewal so far for the 2015-2016 membership year. It's a nice option for those of you who are comfortable with the process.

You are probably wondering then, how the membership online renewal money will flow. So here it is:

National Headquarters sends the Department a spreadsheet of members that have renewed online, along with transfer of funds notice; the funds consist of the Department's share of dues and the renewing member's Unit's share of dues. The frequency depends on how many renewals they get for North Dakota. The Department issues a check to the Unit for that Unit's share of dues. This will be done from the Department on a monthly basis. I have been putting the member names with the checks so the Unit will know who has renewed online.

When the member renews online, they get a confirmation email that the dues were paid, together with a temporary membership card. Each Unit should work out what the best process for that Unit will be as to how that member's card gets issued.

Since the process is new this year, we will keep watching how things go and if needed, may adjust the way the Department handles the renewals.

Please bear with us as it's a learning process for all this first year.

Thank you.

Tiny Tots

Due to the nature of the society today the tiny tots section will no longer be in the Message. I hope that everyone understands that we are protecting the identity of the little ones.

The Abandoned Soldier - Poem by Mark Christmas

youthful face, innocent cares,
wide eyed child, infant stares.

child grew up, played soldier games,
sticks for guns, a pretence to maim.

boy left school, sought to be a man,
to render peace in Afghanistan.

all too soon the decision made,
some years of his life with the Army he'd
trade, training done, off he flew,
to fight a war in pastures new.

a mortar attack, killed, outright four,
'lucky' for him he was blown to the floor,

though injuries sustained were incidental,
not so physical, more like mental.

cuts and bruises would heal away,
but the mental scars, with him they'd stay.

the career he'd wanted as a child,
became a curse, it drove him wild,

with visions of battle, that never would end,
he'd witnessed the death of his closest friend. he had
to leave the new family he trusted
with a broken head, psychologically busted,

he hoped they'd help to resettle him.
instead discarded, thrown in a bin,

abandoned and left to his own devices,
thoughts of suicide and similar vices.

so look what has happened, there is no one bolder,
than the man we call;

'The Abandoned Soldier'

who fought for his Country
over hundreds of years,
did not die,
but is left, with a wounded man's tears.

Unit 26 Donations to MSU Veterans Center

The Minot Auxiliary Legion Post Unit 26 Women's Auxiliary presented a check to the Minot State University Veterans Center for two \$500 scholarships for the 2016-2017 school year at its monthly meeting on September 9. They established and awarded a scholarship for the 2015-2016 year. Members attending the meeting included, from left to right: Alicia Roman, Jean Bjork, Arlene Ritzke, Delores Walhood, Phyllis Allen, Darleen Rust, Mavis Bolte, Mildred Aipperspach, Jean Berdini, Carroll Wallace, and Edith Christenson.
