

ND AMERICAN LEGION AUXILIARY

ND American Legion Auxiliary

December 2016

Hello Ladies,

This is a quick message to everyone before the Christmas and New Year season. I have just come back from the National and I have some helpful tools for you. Enclosed is an ALA Tax Exempt Letter that you can provide to anyone that is donating to your club to show that we are tax exempt and that donations should be easily made to us. This is something that I am sure that most of you have been looking for so that it is a little easier to get those funds because we are a tax exempt organization.

It has been brought to my attention that anyone that is going to want to become an officer for the next year that the winter conference is when you will want to make it known that you are going to be an officer for the next year. Or if for the next year you will not be running for any office. If you are going to put your name in for an office and this includes the NEC you will have a chance to have a reception if you would like at the winter conference. The only thing that I ask of you is that you contact Sarah by January 3 to put your name in for having a reception.

Also enclosed in this newsletter is the Americanism literature for the Americanism Essay Contest and the guidelines for this. Also is the program from Eileen Vondra for Americanism.

Sandy Smith has her program guidelines for the Community Service. Lynn Tomlinson, the Historian has contributed some information to help all of us with our History.

Eileen Vondra is the one that you would need to send your information to for the Americanism Essay. Her address is:

Eileen Vondra

310 Regina Ave S

Park River, ND 58270-4403

Be sure to pass this address on when you have someone take on the Americanism Essay Contest.

Questions that you have for the next month will be easier to get a hold of me by email at secretary@ndala.org. I will try and get back to you right away. I have put an app on my phone to help me with this.

Shirley Montgomery

Department Secretary
