

November 5, 2016

Hello Ladies,

I just want to say first that I had a great time at the fall District meetings because I met so many friendly members from our great organization. I saw parts of North Dakota that I had not traveled in. Also, at the District meeting in Dickinson, thank you for singing to me on my birthday. That was great. Also, all District Presidents did a great job conducting the meetings.

Well, membership has been going fairly good this year. In comparison to last year, we are not too far behind but we need to push on and keep working for more 'touchdowns.' I would like to know about the units that have new members and also fill out the form for recognition of recruiting.

iDistrict Presidents, I would appreciate all the help you can give by visiting on the phone with your Units to see if they have questions. Remember, our 2016 cards will expire December 31, so a letter to remind units to get renewals in would be helpful. This letter can be done by each unit and its members. That way members would have their 2017 cards by January 1, especially those snowbirds.

Keep running for those 'TOUCHDOWNS'. We need them.

God Bless all of you and God Bless our Veterans and their families.

Take care,

*Mavis Goodroad
Pres. Elect*

P.S. If anyone found a portfolio that says "Metropolitan State University" on front, it is mine. Lost after 1st week of District meetings
