

December 5, 2016

Merry Christmas Ladies:

My wish for all of you is to have a wonderful and healthy NewYear. I hope all of you read my letter last mailing. It was on the back of President Diane's letter.

I know you all are very busy during this holiday time but, after January 3rd, I would like you to take off running on the turf and start getting many touchdowns. Some of you have been working hard but we need all of us to put every effort into having more membership numbers than last year. I hope to have at least 164 more than our count from last year.

On the back of this letter is the comparison to last year as of November 30. You will see we need those touchdowns. We need to work together as a team. Much more is accomplished when there are more brains working on our goal. Please send letters to those who have not renewed their membership. First to those from last year and then to the year 2015. Maybe a letter and asking for RSVP might help to find out why they did not renew that year. Maybe there was a reason that can be corrected. It does not hurt to try everything we can to get renewals. Everyone in each unit should help with those letters. Lets work together. Call me or email if you need my help. My phone is 701-361-0413 or mbgoodroad@msn.com. Also enclosed are other items to help with memership.

MERRY CHRISTMAS AND BLESSINGS TO ALL OF YOU, YOUR FAMILIES, OUR VETERANS AND THEIR FAMILIES AND GOOD HEALTH TO ALL.

Sincerely, *i*

Mavis Goodroad
President Elect/Membership
