

American Legion Auxiliary

Department of North Dakota

Hi Ladies,

Here it is. APRIL Spring has sprung. The clocks were turned ahead and the sunshine feels so good and gives us more energy. So I am asking all of you to use that energy to contact those members who have not renewed, either by phone or by a short note. I have pulled reports and I know that there are a number of renewals to be contacted from many Units. The comparison report that comes from National shows our Department behind last year by 694. Those of you who have almost all of your renewals, I thank you.

If any Units need my help, please call me. I so want to see us reach last years numbers. That would be great. We need to talk about our mission when contacting those members for renewing. We have lost at least 50 members to that Auxiliary in heaven. so we need to find someone to fill their shoes But the need for the renewals is so important. We need everyones help in making those renewals happen.

Thank you for the hard work you have already done. It is greatly appreciated.

I am looking forward to seeing all of you that come to convention in Minot.

Take care and God Bless all of you and God Bless our Veterans.
