

## BEVERLY WOLFF, DEPARTMENT CHAPLAIN

Proud to be an American

God want us to work hard and do our best, even with small, seemingly, insignificant responsibilities. All our work ought to be done with Christ in mind.

Freedom: Galatians 5:1 Christ has really set us free. Now make sure that you stay free, and don't get caught up in slavery to law. Freedom in Christ is Freedom to serve. Freedom in Christ is the Freedom to obey.

How do we know we are really free? John 8:36 If the Son sets you free, you will indeed be free.

For knowing Jesus is Freedom from the power of sin.

Genesis 1:1 In the beginning God created the heavens and the earth.

God is our Creator. God created an incredible universe. God created the universe out of love. Human beings are evidence of God's creativity. Recognizing God as our creator is our most basic step in Faith.

Forget: Exodus 2:24 God heard their cries and remembered His covenant promise to Abraham, Isaac and Jacob.

God will not forget His promise to us. God forgets our sins when God forgives us.

Why do we forget God so often?

We often take God for granted. Giving in to the pressures of evil can make us forget God. Following our own desires can make us forget God.
