Hello Ladies,

Convention is coming up soon and I just want to say a big THANK YOU for all you have done this past year. I know our membership has dropped more than what we all wanted but we did try very hard to at least reach last year's numbers.

The goal is important but it is more important to keep the members we have by treating everyone with kindness and respect. For those who we have lost to Auxiliary heaven, we just need to work on filling those vacant spaces. We will try to do that next year.

But we still have some time left to contact those who have not renewed and have them sign up. We need to do that and increase our numbers before convention.

I am looking forward to seeing many of you at convention. Take care. God Bless all of you and God Bless our Veterans and their families.

President-Elect/Membership Chairman
