

The American Legion & Auxiliary Is Turning 100! Let's Celebrate!

The 100th Birthday of The American Legion and The American Legion Auxiliary is just around the corner. Legion Posts and Auxiliary Units across the United States will celebrate the 2018-2019 Centennial Year.

It is time to start planning a celebration to memorialize the impact that the American Legion & Auxiliary has had in your community.

We invite each Post/Unit to plan an event that demonstrates how the members of the American Legion & Auxiliary have contributed to your community over the past 100 years.

Each Post/Unit is encouraged to host a Centennial Celebration that fits your individual community. You can host your own community-wide celebration or celebrate during another community event. It is up to each Post/Unit to decide how you want to celebrate.
