

## **New Objectives for the year**

This year we changed your objectives and it is in this newsletter. Look them over and see that we tried our hardest to come up with numbers that are attainable.

We are going to try something different this year by giving incentives for attaining new members. Our goal is to add 1,200 new members and I know that we can do this. Take it one at a time.

The shirts will help us get our name out and that North Dakota does have an American Legion Family. It is also a fund raiser so that we can provide those incentives to getting new members. Think of incentives that you would like to see that we give out and we will look them over and decide on what works best for getting new members.

**Return Service Requested**

Congratulations!

Congratulations to the following departments who achieved the 95% renew/rejoin.

District of Columbia

Idaho

North Dakota was really close, 4th in the nation, we had 91%. I know it is hard to get new members but it would be nice if we could get 100% renew and rejoin.
