

AMERICAN LEGION AUXILIARY • DEPARTMENT OF NORTH DAKOTA  
Mavis Goodroad, Department President

November 2017

District Presidents, Host Unit, Member of the American Legion Auxiliary

I extend a sincere 'Thank You' for your invitation and hospitality at each of the ten District Meetings in North Dakota.

What an honor to experience this segment of being the North Dakota American Legion Auxiliary Department President. It was a great pleasure to meet the ladies in each of the District as well as our veterans. The meals, gifts, the visiting, and seeing all the interest at each meeting brought much satisfaction as Jeannie and I did our presentations.

Thank you for participating in the AEF Fund Raiser. I was able to make a deposit of \$515.00 to the Auxiliary Emergency Fund. My sincere thanks for your donations and for your support of this important program.

I hope that your interest and enthusiasm will carry over to the work on maintaining and raising membership. We are far behind our numbers from this time last year. Don't hold your dues, send them in and get those numbers counted. Membership increases our power to serve Veterans, active military personnel, their families, and communities across the country and in your local area. This is one area where the American Legion Family can work together in support of the programs provided by the people of this great Veterans organization. I am sure that your work is in progress as you hear these words at your meetings. We all need to work together to bring membership numbers up.

Continue your hard work and God Bless all of you and please keep Linda Juntunen's family in your hearts and prayers.

Thank you again and again.

*Mavis*
