

Fargo VA Health Care System Apartment Move-In Baskets

Homeless Veterans placed into apartments need help stocking their new homes with various household items. Gathering materials and putting laundry baskets together makes for a great “way to give” project for individuals and groups of all ages!

Below are some suggestions of household items that can be put together and distributed to Veterans when they are placed into new apartments. Fill a clothes basket with some or all the items listed. Due to infection control, baskets must not be reused. The Veteran will take the basket to their new home. Contact Voluntary Service with questions or to donate items and/or baskets:
