Napoleon Unit 72 Children & Youth Project at Napoleon Public School

A postcard coloring or creation contest was introduced to students K-6 at Napoleon Public Schools for the Children & Youth Program theme, "America Strong" in honor of the American Legion celebrating its 100th year and Barry Hoof Post 72 being chartered in Napoleon on October 17, 1919.

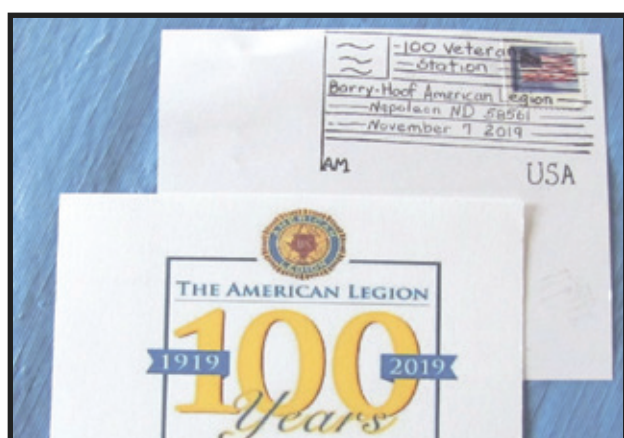

In 2018, art contest winner Amelia Moch created a design that was chosen to be used as a postmark. With the assistance of Postmaster Cheryl Weigel of Napoleon, the

postmark was accepted by the Postal Service to be used on November 7, 2019, for the conclusion of the postcard project. Many of the students chose to send their postcards to family members or friends who were soldiers or veterans to 'thank' them for their service. About 300 postcards were postmarked at the school.

The special pictorial cancellation or postmark was created for the '100th Veterans Station' Barry Hoof American Legion, Napoleon, ND 58561 on November 7,

2019, the day representatives of the Napoleon Post Office visited the school to teach and assist students about the placement of the postmark and talk about the American Legion milestone. American Legion Auxiliary members facilitating the 2019 project were Helen Braun, Peggy Welder, Viola Wolf, Marie Schnabel, Shirley Hoberg and Ann Knecht. Souvenir postcards are available by contacting Auxiliary member Ann Knecht in Napoleon.

Article submitted by Ann Knecht, Unit 72 Secretary

This postcard was created by the Auxiliary to honor the Barry Hoof American Legion Post #72 chartered on October 17, 1919, and has the postmark for a souvenir.

James Roberts Unit 124 McClusky Holds Annual Salad Luncheon

Junior and Senior members of the James Roberts Unit 124 of McClusky held their annual Salad Luncheon on Wednesday, August 14th. Milestone membership certificates and pins are awarded at this annual event. This year, Mary Neff received a pin for 70 years of membership and Delila Reile received a 60-year pin. Both ladies have been active Auxiliary members for many years. Not present was 50-year member, Nancy Berg Mower.

Joan Lasher, President District 4, presented the group with information from the Department and District. Certificates for the Friends of Our Troops (Christmas Cards) were handed out. Pearl Meckle has the honor of being first in the state and 8th nationally (2019) for writing 1800 Christmas cards with a short letter to troops.

A new Unit project, Operation Care and Comfort, a part of the American Red Cross, was introduced and will continue through Jan. 2020. We will be collecting new, unused hotel sized toiletries (shampoos, conditioners, lotions, and body gels) to be sent to female troops serving abroad.

Dickinson Unit #3 helps celebrate 100th birthday of Legion

October 14, 2019, Matthew Brew Auxiliary Unit #3, Dickinson, celebrated our Legion's 100th birthday, which was held at the Stark County Veterans Memorial Pavilion. The Auxiliary provided the food. Unit President LoAnn Dick welcomed all those in attendance and gave a brief history of what the American Legion Auxiliary stands for and invited them to sign up their family members to the Auxiliary and the Sons. Sandra Petermann, Department Chaplain led them in prayer. Auxiliary members that helped serve were Char Wanner, Cathy Logosz, Sonny Otto, LoAnn Dick and Sandra Petermann.

During the "Veterans at School Day" program Auxiliary members joined the students in reciting the Pledge of Allegiance.

Department President

Dear Auxiliary Members and Friends,
 First, I want to send a big thank-you out to all the Units and Unit members who hosted the Fall District and Regional Meetings. With many of the meetings being merged, there weren't as many members attending. I certainly enjoyed the meetings I was able to attend. It was fun to see how everyone prepared for the meetings and I enjoyed visiting with all of you.

I was invited to several parades around the state and attended those in Minot, Park River, and Jamestown. It was a lot of fun and thank you to the units and posts for being such wonderful hosts. I'm also thankful for the friendships and kind hospitality from all of you while I toured our wonderful state.

Remember to do something for veterans in your communities over the holiday season. They have given us so many freedoms because of their service to our Nation.

Remember we are celebrating the American Legion Auxiliary's birthday this year. In this wonderful year of celebration, I ask that every unit in the Department of North Dakota plan an event to celebrate the American Legion Auxiliary. It could be as simple as hosting a party at your local post with cake and coffee. Just be sure to include all unit and post members, veterans and their families, and members of the public as well. Or it could be a parade or picnic. The possibilities are endless. Remember to record your birthday event with pictures and videos and write an

article that may be featured in "The Message" or your local newspaper.

I encourage all Units to put together an article, scrapbook or other piece of your history and bring it with you to Department Convention in June. These items will be on display as we celebrate our 100th anniversary at the convention. Start your project now and let's see all that history. I know you have it!

The Winter Conference will be held in Bismarck on January 24-26, 2020. The Department Office and I have begun planning for this event and I encourage everyone to attend. I'm sure Marcy will include more information about Winter Conference in this publication. I want everyone to enjoy themselves and learn some things in fun fellowship.

It's time for everyone to start working on your Mid-Year Reports. They were mailed out in early September. Visit our website to learn more and find the forms you will need to complete your reports.

Keep up the wonderful work you all do for our veterans and their families, our children and youth and for each other. Thank you all.

'Honoring Their Service'
Myrna Ronholm

Myrna Ronholm

Department Chaplain

Auxiliary Members,
 As I am reminded once again to prepare my article for 'The Message' I realize that even though we put these things on our calendars and even on our phones, it doesn't always work that way with everything we are doing and

Sandra Petermann

are involved with. With all our lists and daily chores, God reminds us to slow down, and to just listen to what he has to say. With the coming holidays approaching fast, we need to take time to breathe, read that devotional or daily verse, or make a phone call to check on a friend. We need to make time for prayer. Remembering that with God, all things are possible.

Let us ponder this. Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks, receives; and the one who seeks finds; and to the one who knocks, the door will be opened. Which of you would hand his son a stone when he asks for a loaf of bread, or a snake when he asks for a fish? If you then, who are wicked, know how to give good gifts to your children, how much more will your heavenly Father give good things to those who ask him. Matthew 7:7-11

Reminder: Chaplain's mid-year reports are due by December 15, 2019.

Have a wonderfully blessed and safe Thanksgiving holiday all month, not just on Thanksgiving Day!

God Bless each of you,
Sandra Petermann

Department Secretary

Hello Auxiliary Sisters,
 By now, you're probably wondering where on earth did Autumn go. Or am I the only one who missed it?

Veterans Day and the activities surrounding the events celebrating our heroes and veterans are already fond memories. The many activities of the holidays will soon be here, but don't forget about those in your community who could use a helping hand or kind word.

There have been several changes that will affect all of us as members of the American Legion Auxiliary. Information was sent to all Unit Presidents recently regarding these changes which are a result of voting that took place at the National Convention.

Membership - On October 11, 2019 National Headquarters issued an announcement that we can no longer recruit great-granddaughters as unit members. However, if great-granddaughters already belong to your Unit they can remain so if their dues are always kept current. That means... don't let these young members' dues lapse.

Constitution and Bylaws - Ginny Brazil has stepped back from her Constitution and Bylaws chairmanship due to a recent illness. We wish Ginny our best as she continues to recover. Department President Ronholm has put together an awesome team to review and make recommendations on revisions that our Department Constitution requires

due to the number of changes at the National level. The team is made up of, Diane Kraemer, Department Parliamentarian, Marlene Simundson, Member-at-Large, Sharon White Bear, Department Vice President, and Judy Twete, Past Department President and Tammy Ryberg, NEC as advisors and reviewers. Let's all wish this team our best as their work progresses. This team will present their findings and recommendations to the DEC at Winter Conference set for January 24-26, 2020 in Bismarck, ND.

Preamble - Yes, the Preamble, the one we all know and love, has been revised, please begin to recite the new version at your meetings/gathering effective immediately. Instead of saying "the great wars" we will now say "all wars".

Winter Conference - Winter Conference, set for Friday-Sunday, January 24-26, 2020, will be held at the Ramkota Inn at 800 S 3rd Street S, Bismarck, ND - Phone number is 701-258-7700. Lodging rates are \$109.00 per night. Make your reservations early.

Wishing you and yours Happy Holidays. See you at Winter Conference.

Department Treasurer

Hello everyone. I hope your year is progressing nicely. You have a very important job to do.

The Finance Board and I think you might like to see where your donations went last year. Your dollars went to 19 different organizations including the following: Lisbon Home and Gift Shop, Fargo VA and Gift shop, VAMC-Fargo fish tank maintenance, Wreath's Across America, ALA Girls State, YWCA, Department Education Scholarships, ND State Legion Band, Anne Carlson Foundation. ALA Children Welfare Foundation, Children's Miracle Network, International Music Camp, Creative Arts Festival, Eastern Montana Veteran's Home, Fischer House Foundation

Inc., 4-Chaplin's Memorial Fund, Gladys Ray Shelter, ND Veteran's Cemetery in Mandan, and Service Dogs of America. The Past President's Parley also awarded several nursing scholarships as well.

Job well done everyone! Thank you so much for caring about these organizations and the people they serve.

Again, thank you for all you do!!

District 2

Hello District 2 Members
 We tried something different for our District meeting in September. The East region consisting of Districts 1, 2, and 10 met at the Post 4 in Hillsboro on September 7, 2019. We three district presidents worked together at this meeting. Thanks to those of you who were able to attend. The 2020 Spring District 2 meeting will be held as in the past.

As Christmas is not far away, please remember our veterans and families, and those in our communities who need our help. Remember to report volunteer hours and the money you donate.

I visited a few units this past year. It's wonderful to see 'Service, Not Self' in action. Thanks for everything you do for veterans, military families and others in your communities.

Gift Shop at the Fargo VA is December 4th and Lisbon Veterans Home on the 5th. Winter conference is coming up January 24-26, 2020 in Bismarck. I'm looking forward to seeing many of you there.

Merry Christmas and Many Blessings in the New Year!

District 8

Hello District 8 Auxiliary Members,

I am LoAnn Dick, your new District 8 President. I live in Dickinson and am a member and Unit President of Matthew Brew Unit #3 in Dickinson. My husband, Edward Dick, is a Past District 8 Commander. Edward is currently working at Theodore Roosevelt Airport in Dickinson. We've lived in Dickinson since 2013 and are delighted to be transplanted North Dakotans. God is very good and has made it a blessing for us to live here among you.

I would like to remind you that our mission to serve our veterans is a very important mission indeed. Through our membership we bring them to the attention of Congress, and much is done for them regarding legislation that makes their lives better, happier, and more fulfilled. Please remember that most of your family may be eligible to be a member of the American Legion or Auxiliary, the Sons of the Legion, and for those who are motorcycle riders, the American Legion Riders. Everyone can fit in somewhere. So, let's sign them up! WE CAN DO IT! Let's increase our memberships greatly!

I am privileged to serve you as your President and would like to be of service to you in any way I can. My phone number and address can be found on the Department website. My cell phone really does have a 714-area code which is the one I brought with me from California, so don't let it stop you from calling me or from answering my calls.

Thank you for your dedication to our veterans!
LoAnn Dick

Constitution and Bylaws Program

To all members of the American Legion Auxiliary:

The Department is in the process of reviewing our Constitution and Bylaws and Standing Rules for changes that are required due to changes made in the National Constitution and Bylaws and some changes that have been overlooked and need to be corrected. They will be discussed with the committee that has been set up and information will be forwarded to all units and will be brought up for discussion at Winter Conference. Final updated copies will be sent to all units for discussion and will be voted on at the Department Convention in June. Once the Department documents have been reviewed and updated, all units will be required to make changes to their own Constitution and Bylaws.

Diane Kraemer,
Department Constitution & Bylaws Chairman

Auxiliary Emergency Fund Program

Dear ALA members;

I hope your fall season has been enjoyable. Harvest, Halloween, Thanksgiving and Veterans Day are all days to be grateful for. However, some of our members experience serious difficulties due to natural disasters and other terrible events.

The American Legion Auxiliary sponsors a fund to assist Auxiliary members who experience some of life's worst disasters. Please consider donating funds to the Auxiliary Emergency Funds Program so we can continue to assist our members who experience flooding, fire, hurricane and other life altering disasters.

If you would like more information, I encourage you to visit the Auxiliary's National website at: www.alaforveteran.org under the 'members only' section. You will find a Q & A form as well as an application. Or contact the Department Office and www.ndala.org for more information.

Charlotte Lassonde,
Department AEF Chairman

Education Program

I am honored and excited to be your department education chairman for the 2019-2020 administrative year. One project I am promoting is the "Veterans in Community Schools" program which entails finding veterans and educators in your community that would be willing to present stories and experiences for local school children. If your local school is not able to host an event, consider holding it at a community center or church. Providing these opportunities helps the next generation learn about the importance of our veterans, the military and patriotism. Find out more information in upcoming unit mailings or online at ndala.org/education/

The Auxiliary also has several scholarships available through the education program. One is the Department education scholarship application, which is due to me by April 1st, 2020. Other scholarships available through the National office include: Children of Warriors, Non-Traditional, Spirit of Youth, Junior Member Loyalty, and the Samsung. The Samsung scholarship is restricted to high school juniors who attend American Legion Auxiliary Girls State or American Legion Boys State. These national applications need to reach the Department Office no later than March 15th, 2020. Unfortunately, late entries will not be considered for awards. Also, only one application from each scholarship class will be accepted from any one unit. This means that if you receive several applications to your unit for the Spirit of Youth scholarship, they need to be

judged at the unit level and the winner should be sent on to Department level.

Unit members, please assist applicants with the submission process. Any incomplete submissions will not be considered for awards. These are prestigious scholarships and there was a winner from North Dakota in 2019. Good luck and please contact me if you have questions regarding the scholarships. Application forms are available at www.ndala.org/education/ and have also been mailed out to the guidance counselors of all ND schools. Please share the forms with youth in your communities.

By the time you read this, National Education Week will have passed. However, I still encourage you to do something special for the educators and school staff in your communities. Consider having students make special thank-you cards or have a tea and dessert bar to thank those who work so hard to educate and inform.

Thank you for supporting the education program through the American Legion Auxiliary. If you have questions, please feel free to contact me at education@ndala.org or by phone at 701-491-8776.

Shauna Dubuque,
Department Education Chairman

National Security Program

As American Legion Auxiliary members we will step up and reach out to help military families during deployments whether its' assisting with errands or by providing a listening ear to a spouse. We will be hosting send-off and welcome-home events for our troops, providing them with pocket flags.

We will extend the gratitude of our nation by providing military families with Blue Star Banners to display in their windows to show how proud they are to have a family member serving in the U. S. Armed Forces. We provide Gold Star Banners to Gold Star Mother with Honor and reverence as their children have made the ultimate sacrifice for this great nation.

All Auxiliary units are encouraged to partner with other organizations that serve the military family. Working with others who have the same passion as the American Legion family will help our family grow stronger so we can serve more. Please remember to protect our Brand when working with others. Do not allow others to use our Brand without proper permission.

We also host programs recommended by the Department of Homeland Security that assist members and communities in preparation for and in response to natural or manmade disasters.

The American Legion Family is dedicated to ensuring that America's POW/MIAs are honored and recognized, not just memorialized. American Legion efforts focus on the need to account as fully as possible for those still missing, alive or dead. An important way all Legion Family members create awareness and remembrance service for this initiative is through conducting POW/MIA remembrance services at unit meetings and public events. Strong, united support by all Legion Family members is crucial to bringing all our heroes' home.

Thank you for your service to our military families.
Jeannie Román,
Department National Security Chairman

Past Presidents Parley

The two Past Presidents Parley Nursing Scholarships have been sent to all high schools and nursing programs in North Dakota and are now available on the Department website at www.ndala.org/ppp/ or under news on the homepage.

Please contact your local school and ask that the students be allowed time to complete an application and submit it for review and award. If you have a junior unit member who is planning to attend a nursing program next fall, encourage her to complete an application.

In the second matter, Past President Parley dues have been set at \$5.00 per member, please send your dues and a list of current past presidents in your unit to the Department Office.

Diane Kraemer,
Department Past Presidents Parley Chairman
