

PAST PRERESIDENT PARLEY – 2020 REPORT

We have about 16 units that hold meetings during the year. One unit meets every other month at someone's home, have a meeting, visit, officers in the fall for the coming year, they assist the Post in any way they can, they play cards and then dessert is served with more visiting.

We had twenty applications for the Nursing Scholarships. There were 12 for Parley and we had to reject two as they were not completed correctly. There were 8 for the Dr. Grace Holmes scholarship and we had to reject two as they were not completed correctly.

We had three applications for Woman of the Year and two applications for Service Woman of the Year.

Diane Kraemer  
President, Past President Parley
