

**American Legion Auxiliary Department of North Dakota
Department Junior Activities Report
2020-2021 Mid-Year Report**

**Grace Zeller, Junior Activities Chairman
Submitted: January 11, 2021**

Most North Dakota units have not been holding in-person meetings since the COVID-19 pandemic started in March. Although several units have active junior members, they too have not been meeting or holding activities with the junior members in attendance.

Three units sponsored greeting card writing and sent the finished products to local long-term care facilities and the VAMC in Fargo for distribution to residents of the homes and hospitalized veterans.

Several units asked their junior members to assist with flag placing at local cemeteries in time for Memorial Day and one unit took part in a flag retirement ceremony in June.

I know there are unreported activities by junior members, but the reporting from units was extremely low for the 2020-2021 Mid-Year.
