

PAST PRESIDENT PARLEY

The North Dakota American Legion Past President's Parley has been doing a few things but due to Covid-19 not as much as we would like to accomplish.

We have sent out to the schools and the Units the scholarship applications for the Past President Parley Nursing Scholarship and the Dr. Grace Holmes Parley Nursing Scholarships. We sent out the information to the Units on the Women of the Year and Service Member of the Year.

I have already received one application for the Nursing Scholarships we award each year.

We are hoping for a better 2021 so that we can get back to doing the things we love to do for our Veterans who mean so much to all of us.

Diane Kraemer,
Past Presidents Parley President
