

Hello District 7 Auxiliary Members,

I hope you are all enjoying this mild winter, but I am sure there is cold coming as we usually do not get off that easy.

It has been a very unusual year for the Auxiliary. We have taken advantage of some Zoom meetings, but it is not the same as meeting with an actual group of people. My concern during this time is our elderly and our veterans. It is not healthy to become isolated, so please reach out when you can whether it is a phone call, mailing a note, or a little form of kindness.

On Veteran's Day, members of Vernon V. Isaacs Unit 78 in Stanton decided to step out and make up plates of cookies for our veterans. Their response was so incredible and each in their own way thanked us for remembering them. The tears were heart breaking.

Just want to remind you of the April 1 deadline for unit members to turn in their hours and reports to your Unit President. The Poppy Poster program deadline is coming up (May 20) and is invaluable to our young people. Also, now is the time to be thinking of Memorial Day programs. I hope this COVID-19 disruption will soon be over and we can get back to our regular meetings and gatherings.

Try to make your light shine where you can. Reach out to our veterans whenever possible and thanks for all you do to fulfill the mission of the American Legion Auxiliary.

Rose Laning
District 7 President
