Regarding: American Legion Auxiliary Flickertail Girls State Program

The American Legion Auxiliary Girls State team is gearing up for the 2021 Flickertail Girls State Event to be held June 13-18th, 2021 at the University of North Dakota. It is an exciting six day program with the young ladies learning about government, participating in community service projects and forming lifelong friendships. At this time we are planning for an onsite program. Due to some uncertainties with COVID-19 we are aware that there may be a small possibility to do some virtual programming; however, at this time that is a last resort scenario.

With the 2020 session being cancelled last year, girls finishing either their Junior year OR Senior year in a North Dakota high school, including public school, private school, or home school are eligible to attend the 2021 ALA Flickertail Girls State Program. The registration fee for attendees is \$250 and there will be a registration deadline of April 30th, 2021. Most girls planning to attend are able to be sponsored by local American Legion Posts and American Legion Auxiliary Units. If there is a need to find sponsorship, please email ndgirlsstate@gmail.com

We are asking for your assistance and encouragement of young women in your school and community to apply to the Flickertail Girls State program. Application forms and updated brochures are enclosed with this letter and are also available on the Girls State website at:
