

AMERICAN LEGION AUXILIARY • DEPARTMENT OF NORTH DAKOTA  
Marcy Schmidt, Department Legislative Chairman (2019-2021)

March 5, 2021

Recently I was privileged to be invited to the virtual legislative meeting of the DC Conference. I must say I was impressed with the presentation and came away with a whole new appreciation for what the American Legion does to prepare for their testimony on behalf of veterans across the United States.

I encourage you to take the opportunity to see the Commander's testimony and learn all about our legislative priorities as well. Remember, we are not a political organization and do not endorse a party or candidate, but we do support issues affecting our veterans, active military, and their families.

Please review the accompanying documents and take a moment to let your congressman and senators know you support our veterans, and you would appreciate their support as well.
