

Hello again.

I am back as your District 3 President. I enjoyed my time as Department Membership Chairman and getting to know many of the Legion family members across the state.

This year, I will focus on District 3 and keeping units active to continue our mission of supporting our veterans. I will try to visit all the units in District 3 during the 2021-2022 year to answer question and assist in any way I can. I'm challenging the units of District 3 to shoot for the highest percentage of membership in the Department this year.

Remember, all units will need to update their Unit Constitution and Bylaws. The committee that completed the Department's documents presented those at the Department Convention and they were approved by the body in attendance. The Department Constitution and Bylaws document will be available for your review by visiting the Department's website at www.ndala.org/constitution-bylaws/. Remember to update the 'Preamble' to match the Department and National documents. The District Constitution was revised by the committee and will be available for review as well.

On another note, District 3 needs a District Vice President. Consider serving as a District officer. It really is a rewarding experience. The Fall District Meetings will take place sometime in September and October. Information will be available through unit mailings and at www.ndala.org.

I look forward to seeing you all soon.

Sandy Smith
District 3 President
