

Surprise!

Here I am again, Lualice Stockert, serving you once more as President of District 7. This is the fourth time doing this.

We could not close the Department Convention until all Districts had a president. Rose Laning (Past District 7 President) was elected Department Chaplain and no one else from District 7 stepped forward. Thus, I was appointed to serve. I am happy to once again serve you as District President, but we need someone to serve as Vice President. No experience required and there are many people who are willing to serve as mentors.

Now on to business, membership is first on the list. Membership is everyone's business. Try to round up your member's dues and send them in early.

Coming up in September and October will be District Meetings. I encourage all Auxiliary members to attend. Watch for news on District meetings in this publication as well as unit mailers from the Department Office.

I missed the July organizational meeting in Fargo due to an injury, but I am doing much better and I thank everyone for their prayers and calls. I cannot attend the National Convention this year because I am still on the mend. However, I will be mailing letters to all the units each time there is something to report. Until my next report, I will sign off and say, 'when you meet a veteran, thank them for their service and wish them a wonderful day'.

Lualice Stockert

District 7 President
