

Past Presidents Parley Members.

I hope this article finds everyone doing great. Our weather so far this Fall has been wonderful and I am hoping it will continue for at least a month or so. I have two items to remind you of:

1. Past Presidents Parley dues are \$5.00 per year and are due by December 31, 2021. The funds are used for the Parley's nursing scholarship program. Parley Nursing Scholarships are awarded each year and announced at the Department Convention.
2. Please send your unit's Past Presidents Parley dues along with a list of your past unit presidents to the Department Office for processing. The list is recorded and maintained by the Parley Secretary.

Thank you.

Diane Kraemer
Past Department President
