Hello Auxiliary members!

Hope you are having a great month so far. It is still below zero where I am at, but spring will be here sooner than you think. After all, if there weren't so many weather changes, what would we have to make small talk about?

Just a reminder that National scholarship applications were due online or to Unit Presidents by March 1st. These National scholarship applications need to be postmarked to the Department Office **no later than March 15th**. They will be judged by the scholarship team and one from each category will be sent on to the Northwestern Division.

The Department Education Scholarship application process is still open. Forms must be postmarked to me no later than April 1, 2022. Information is available at www.ndala.org/education/. Applications may be printed from this webpage. If you need more copies, feel free to contact me by phone and I can mail them as well. Don't forget to share the webpage link with students or schools in your area.

Please encourage students in your area to apply!

Also, remember to show your support for learning by honoring educators during Teacher Appreciation Week (May 2-6, 2022).

Take care and be well!

Shauna Dubuque, Education Chairman
