

March 1, 2022

Greetings to all District 5 American Legion Auxiliary Unit Officers and Members,

We are looking forward to meeting members from the various units at the Spring District 5 Meeting being hosted by Lawrence Stephenson Post 133, Turtle Lake, in Bismarck at the AMVETS on Tuesday, March 22nd. We have included a flyer with the meeting details with this letter. It is important that we have representatives from all Units.

Unit members need to have their impact numbers to the Unit Presidents by April 1. Unit Presidents need to send the End of the Year impact numbers and narrative reports to the District President by April 15. We need to receive reports from each Unit in order to complete the District Report. Even if you have no Impact to report, you need to send the form stating No Impact.

Looking forward to seeing as many of you as possible on March 22nd in Bismarck! Let's give Department President Sharon White Bear a warm District 5 welcome!

Peggy Moran

President, District 5
