

CONSTITUTION AND BYLAWS AND STANDING RULES

Hi Ladies: I hope everyone had a great summer. Now with fall coming I am sure you are working on your Constitution and Bylaws and Standing Rules.

I have received only 20 out of 142 units. Those have been reviewed and sent back for minor corrections and signatures. Once completed, I file your C&B documents in a three-ring binder and forward one copy to Department Headquarters for your unit folders in the office.

I am asking each unit to please complete work on your unit's Constitution and Bylaws and Standing Rules and send to me by ***December 1, 2022***. Thanks for your attention to your '***governing***' documents.
