

District 7 Letter to Units – July 2022

Glad to bring you up to date on things. Going back to May when National President Kathy Daudistel was in North Dakota. The White Shield Post and Unit did a fantastic job at hosting the event. I learned more about the Arikara Culture than I ever knew. Sharon White Bear and her Auxiliary and Post really put on an outstanding program. They had so many interesting places to see and put a meal together for all. We saw native Dance Demonstrations and they gave awards to their “Caregivers” in White Shield. Kathy got some awards also and quilts. Kathy is such a down to earth person, we really enjoyed talking to her. I wish more could have been there.

President Sharon White Bear did a very good job at our State Convention in Dickinson. She kept things moving and that’s not an easy job.

We have 4 Goal Units, Center, Elgin, Glen Ullin and Stanton. “Thank You” for that. Some only need a few more members to be goal, you can still do it.

I don’t know where the Fall District Meetings will be, but will let you know and it should come out in the Message. You know we still need a Vice President. Will someone volunteer?

National is going to raise their dues in 2024. Try and inform your members about becoming a “Paid Up For Life” member. The National American Legion Auxiliary magazine for August on page 37 explains all of that and you should get a sheet from Marcy on that in a mailing.

I’ll close for now and hope to see you at the Fall District meeting.

Thank our veterans and may God Bless America.

Lualice Stockert
7th District President
