# Basic Parliamentary Procedure

## **Eight Steps in Processing a Main Motion**

- **Step 1:** Member rises and addresses the chair when nothing is pending. "Mr. President." Or "Madame President."
- **Step 2:** Chair recognizes member by nodding at the member or stating his name. "Mr. Williams."
- **Step 3:** Member states his/her motion. "I move that we have a canned food drive."
- **Step 4:** Another member seconds the motion (without recognition). "Second."
- **Step 5:** Chair states the motion and places it before the assembly for discussion. "It is moved and seconded that we have a canned food drive. Is there any discussion?"
- **Step 6:** Members have the right to get recognition and debate the motion. During debate subsidiary motions (i.e. amendments) may be introduced to help the assembly make a final decision.
- **Step 7**: When discussion is finished the Chair puts the question to a vote. "The question is on the adoption of the motion that we have a canned food drive. Those in favor, say AYE." (Pause.) "Those opposed, say NO." (Pause.)
- **Step 8:** Chair announces the results of the vote. "The AYES (NOES) have it; the motion is adopted (lost); we will (not) have a canned food drive; the next business in order is ..."

## Methods of Voting

- Unanimous Consent no member objects to a proposal that meets with general approval; a vote of silent agreement.
- Voice Vote regular method of voting on any motion that does not require more than a majority vote; most common form of voting.
- Rising Vote method used when a two-thirds vote is required for adoption; is also used when a member calls for a division of the assembly.
- Show of Hands or Voting Cards an alternative method for a rising vote.
- Counted Vote can be ordered by the chair when it appears a voice vote is unclear and it can be ordered by a majority vote of the assembly.
- Ballot or Roll Call Vote can be ordered by a majority vote of the assembly and is required if specified in bylaws.

- <u>The 13 Ranking Motions</u> motions lower on the list cannot be made if anything higher is pending.
- **1. Fix the time to which to adjourn:** This motion is used to set the time for another meeting to continue business of the session. It does not adjourn the present meeting or set a time for its adjournment.
- **2. Adjourn:** This is a motion to close the meeting.
- **3. Recess:** A short interruption which does not close the meeting. After recess, business resumes at exactly the point where it was interrupted
- **4. Raise a question of privilege:** This device permits a request or a motion relating to the rights of either the assembly or an individual to interrupt business and, because of its urgency, be brought up for possible immediate consideration.
- **5.** Call for the order of the day: By the use of this motion, a single member can require the assembly to follow the order of business or agenda, or to take up a special order that is now due to come up, unless two-thirds of the assembly wish to do otherwise.
- **6.** Lay on the table: This motion is used to place the pending motion aside when something of an urgent nature arises and needs the immediate attention of the assembly.
- **7. Previous question:** This is simply a motion to end debate, allow no further subsidiary motions on the pending motion, and take a vote. It must be seconded, no debate is allowed, and a 2/3 vote is needed to close debate.
- **8. Limit or extend limits of debate:** This motion can reduce or increase the number and length of speeches permitted or limit the length of debate on a specific question.
- **9. Postpone definitely:** Should be used if the body needs more time to make a decision or if there is a time for consideration of the question that would be more convenient. The postponement cannot be beyond the next session in a group that meets regularly.
- **10.** Commit or refer to a committee: This motion sends the main motion to a committee for further examination and refinement before the body votes on it.
- **11. Amend:** The intent of this motion is to modify the pending motion before it is voted on.
- **12. Postpone indefinitely:** This motion, in effect, kills the main motion for the duration of the meeting without having to take a vote on it.
- **13. Main motion:** a formal proposal for consideration and action.

### The Three Ways to Amend

1. To insert or to add (a word, consecutive words, or a paragraph).

### **Phrasing:**

- "I move to amend the motion by inserting the word 'consecutive' before the word 'terms."
- "I move to add the words 'at a cost not to exceed \$100.""
- "I move to amend by adding the following paragraph..."
- **2.** To strike out (a word, consecutive words, or a paragraph).

## Phrasing:

- "I move to amend by striking out the word 'every."
- "I move to amend by striking out the words 'during the second semester."
- "I move to strike out the third paragraph."
- **3.** To strike out and insert (words) or to substitute (paragraph or entire main motion).

### **Phrasing:**

- "I move to strike out the word 'monthly' and insert the word 'annually."
- "I move to substitute for the pending main motion the following..."

# **The Order of Business**

- Reading and approval of minutes approves the record of actions taken at previous meeting.
- Reports of officers and standing committees considers actions as recommended by an officer or committee. Any correspondence received should be read if not distributed prior to the meeting. A financial report is made at every meeting.
- Reports of special committees considers actions as recommended by a group formed for a particular purpose.
- Special orders considers items that were made special orders for this meeting or items required to be taken up at this meeting by provision in the bylaws.
- Unfinished business and general orders considers items not reached when the last meeting adjourned or items postponed to this meeting.
- New business considers actions proposed by members.

#### Debate

#### **Decorum in Debate**

- In order to debate a question, a member must rise and address the presiding officer by his/her title, and be assigned the floor.
- Always address remarks to the chair, never using a member's name where it is possible to describe him otherwise.
- The correctness of a statement of facts may be denied, but the motives of a member are not questioned.
- Discourteous language is never used.

#### **Rules of Debate**

- The maker of a debatable motion is always entitled to the floor first, as soon as the chair states the question on the motion. When a motion is made by order of a committee, the reporting member of the committee should be recognized first.
- As much as possible, debate should alternate between pro and con.
- Confine debate to the question under consideration.
- Ask permission of the assembly before reading any document.
- Do not waste time with frivolous arguments or repetitions.
- The member who introduces a question is allowed to close the debate, provided he/she has not already exhausted his time.
- Time cannot be yielded to another speaker or saved for later use.

# **Number and Length of Speeches**

- Unless permission is given by the assembly, no member shall speak
  - ... longer than ten minutes at a time,
  - ... more than twice on the same question on the same day,
  - ... a second time until every one has spoken who desires to do so.
- At any meeting the limits of debate may be changed by a two-thirds vote.
- If a member who has the floor allows another member to make an explanation, the time is charged to the one who has the floor.
- Consider adopting a special rule of order limiting speakers to 2 to 3 minutes at a time.
