

AMERICAN LEGION AUXILIARY DEPARTMENT OF NORTH DAKOTA  
Cheryl Evenson, Department AEF Chairman

November 2024

Hello Unit Presidents and Auxiliary members!

Fall is rapidly ending, and by the time you read this newsletter, you will already have filled out the mandatory contribution form.

To units that have already donated to the Auxiliary Emergency Fund (AEF), thank you for your generosity.

And a special thank you to the District Presidents for passing the hat and collecting more funds for the AEF at their Fall District Meetings. Your willingness to help financially was amazing! A total of \$1241.00 was collected at the Fall District meetings.

With the wildfires, (including in North Dakota) and this season's devastating hurricanes, the AEF program is vitally important to our Auxiliary members needing assistance. Any unit wishing to further donate, can send checks to the Department Office. Thank you for caring.

*Cheryl Evenson*, Department Auxiliary Emergency Fund Chairman
