Auxiliary Emergency Fund

This is a reminder that due to recent natural disasters and financial hardship, many of our auxiliary members need our support. I attended a recent call with other AEF Chairmen from across the country where we learned that already in fiscal 2025, the AEF program has paid out more than all of 2024.

With the recent flooding, hurricane damage, and now the California fires, it is more important than ever to donate to the Auxiliary Emergency Fund (AEF) program, many of our members need our help. If you become aware of a member in need, be sure to let them know there is help for them.

Although there is certain criteria that must be met to qualify for aid, you can find the application and criteria on the American Legion Auxiliary's website at:
