

Community Service

It was good to see everyone at Department Convention in June! There were some excellent ideas revealed for Community Service. Here are some activities held along with some suggestions for future projects and activities.

- “Be the One” Picnic in the park held in Hankinson by Eberhard Unit 88.
- “Stuffed Bears” collected by Paul Farup Unit 147 in Park River. Presented to local first responders.
- Annual Thursday Night Cookouts were held in the summer in Minto. Unit 201 Auxiliary served 100+ meals to the citizens. They also helped the Legion on their night to cook, by serving food and donating salads.
- Helping at church for funerals, choir, special events, teaching religion classes and cleaning.
- Donations to local food pantries, Salvation Army, Rescue Missions, & Senior centers.
- Donate to Giving Hearts Day.
- Donations of bars to the local Legion & Fire Department for fundraising meals.
- Donation of bars for Designer Purse Bingo and well as donated work hours. Proceeds support a local non-profit.
- Sponsor a blood drive
- Send out greeting cards to veterans, deployed and shut ins.

There are so many ideas that are too numerous to mention. Please continue to do community service projects and send in your reports to share. We want to continue to show what amazing work you all do.

Keep up the good work everyone!

Shelley Schuster, Community Service Chairman
