I feel sure many units have been supporting education projects such as 10 for Education or did something for National Education Week. Have you donated any books in the community? A brief summary of those activities, hours volunteered and dollars spent will help me write my report for Northwest Division. Please include pictures if you have them.

Veterans in the Classroom?

Since our reporting year is from May through April scholarships provided by Units may be over looked. Did your unit give any academic scholarships? If so, how many and what amount? Did you provide a scholarship to The International Music Camp? If so, how many and how much?
