

Please display one or all three of these posters when doing poppy day this year. Share this information with the public. **To Print a smaller version.**

While the sizes we offer are standard for posters, you can easily print a smaller version (e.g., 8.5 x 11") by simply selecting the "fit" or "reduce to fit" option from your home printer.

A commercial printing store also can select this smaller size for you. They are available online at: [www.legion-aux.org/poppy-day-poster-templates](http://www.legion-aux.org/poppy-day-poster-templates)

Or login to: [Legion-Aux.org](http://Legion-Aux.org) Poppy Day Poster Templates

Thank you for everything you do and sharing the poppy information with others.

*Sandra Petermann*, National Northwestern Poppy Chairman
